How did you find out about the Club? _____

1. The annual subscription is due on the 1st January each year (regardless of the actual date of joining, see note 3 below). The current subscription rate is £35.00 for members resident in UK and Europe, Members resident outside Europe £45.00.
2. Members under the age of 21 should apply as Young Members at the reduced annual subscription rate currently £12.00. If under 18 the application should be accompanied by a letter of consent from one parent or guardian. Young members under the age of 16 are welcome to attend meetings if accompanied by a responsible adult.
3. No application can be processed without the first subscription. Members will be sent all the publications for the year in which they are elected. Applications received after 30th November will be dealt with as membership starting the following January unless the member specifies otherwise and pays the subscription for the current year.
4. Membership records are normally held by computer under the terms of the UK Data Protection Act and used solely for Club administration purposes: names and addresses and other information are not made available to commercial organisations. Applicants who wish to have more information about the computer system should write to QMC Membership Services. A member may have a copy of his or her computer record on request.
5. From time to time the club publishes a list of members names and contact detail in the Quekett Journal of Microscopy, and the list is circulated to all members, if you do not wish your contact details to be published you should inform the Subscription Manager.
